Check out Epilog's Fusion Maker Laser at GPX Long Beach!
Epilog Laser
Epilog Laser is excited to announce the launch of the new Fusion Maker Laser System. Designed with industrial components that withstand heavy use and high-volume production, the Fusion Maker is the first laser system designed to allow the home user and home business owner to operate an industrially-built laser machine.

Financing as essential as ink
First Citizens Bank Equipment Finance (Formerly CIT)
Running a print shop is about more than just being able to produce a few flyers for your clients. Investing in the latest technology will help you keep up with your clients' needs. If you've discovered that your current printing equipment isn't enough to meet the demands of your growing business, consider the benefits of financing or leasing to expand your operations.

The Competitive Pricing on Promotional Products you Need!
PromoEQP
In 2003 PromoEQP, having recognized that corporate distributors had created an unfair pricing landscape, launched its market to provide all distributors with competitive pricing. 19 years later PromoEQP has grown to over 1500 distributors, 225 participating supplier partners, and an exclusive S&C relationship. You are your own competitive advantage - PromoEQP just eliminates price as an issue.
