SHOW DAILY SPONSORSHIP

Drive traffic to your booth, and create excitement for your products

Drive traffic to your booth as the exclusive show sponsor of the Show Daily messages! Each message is sent to potential and registered attendees of GRAPHICS PRO EXPO to encourage attendance.

The Show Daily sponsorship is an exclusive opportunity for ONE exhibitor each day to proudly promote their brand presence, product offerings and show specials via a short video. Because Show Dailies are sent the day before and the days of the event to pre-registered attendees and prospective attendees within driving distance of the event, your message will not only create excitement before attendees arrive but also serve to drive traffic to your booth during the show.

What the Show Daily Sponsorship includes:

- 30- to 90-second video presentation
- Exclusive sponsorship presentation each day - 100% share-of-voice

Rates:

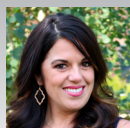

- \$695 per city
