## The Wraps Event For Wrappers, By Wrappers!

**WRAPSCON** will once again be the single largest gathering of wraps professionals in 2024. The best minds in the industry will be on hand, sharing their secrets, presenting live demonstrations and interacting with new installers and industry giants alike.

The 2024 event will feature more educational opportunities, an artistic hands-on environment, and a contest more challenging than any before. Join us as WRAPSCON travels back to one of the greatest trade-show cities in the nation, Long Beach. The event will be held at the Long Beach Convention & Entertainment Center, part of GRAPHICS PRO EXPO, June 13-15, with a full education day on June 12.
